## **Richmond Heights Memorial Library PUBLIC FORUM AREAS POLICY**

The Library posts announcements and distributes free literature such as fliers, newsletters, magazines, and promotional literature of a civic, educational or cultural nature. Permission to post or distribute material must be given by the Library administration.

Approved items will be distributed and/or posted for limited periods of time as space allows. Materials posted or left for free distribution without approval from the Library will be discarded.

The Library will not post or distribute material relating to activities undertaken for individual gain or commercial profit, or activities whose primary purpose is to raise funds. Promotion of political candidates and political parties is not permitted. Support for or opposition to any issue on or intended for a public election ballot is prohibited. Materials that support or oppose a specific religious conviction are also prohibited.

Due to limited space priority is given to Library and City of Richmond Heights information. The Library does not endorse the ideas, issues, or events promoted by the material accepted for posting or distribution. The Library is not responsible for material that is damaged or stolen.
